Helps to stimulate the function of internal organs and the balancing of the body's own energy (Ki).

Shiatsu will be done on a shiatsu mat.

MASSAGE

COMBINATION SWEDISH/SHIATSU

... popular combination of Swedish and Shiatsu techniques that delivers a deep tissue massage (oiled) which is both relaxing and soothing.

CLASSIC SPORT-MASSAGE

... an invigorating massage specifically designed for athletes and sport enthusiasts that utilizes deep cross-fibre work to help break up lactic acid within muscles.
